Got a tip for us? Send us an email b Anonymous form (OpenVPN client) works, I guess.

Aug 05, 2014 I experienced PPTP issues from the very first pre-release and now on the official Yosemite release.. Best regards schreiberstein Myname70 macrumors 6502a May 5, 2014 629 81. I found a workaround: PPTP does not work if I have my ethernet card IPv4 manually configured, BUT if I use an Automatic (DHCP) configuration VPN (PPTP) does work.. Oct 28, 2014 Hi there! I have a problem with my VPN on Yosemite In my home, i have a mac mini server, with a VPN PPTP server (I use Server App from Apple). [Borrando Sus Cookies Y Cache Con Mac OS Para Google Chrome](#)
